AMENDMENT AND RESPONSE

This communication is responsive to the Notice of Non-Compliant Amendment (“the NOTICE”) having a mailing date of May 28, 2010. The due date for filing this Response is one-month from the mailing date of the NOTICE because the previous response included a submission of Request for Continued Examination under 37 CFR §1.114. The NOTICE indicated that a complete listing of all the claims was not present in the previously submitted response. In particular, it appears the indication that Claims 1-215 was missing from the previous response.

This Response includes a complete listing of all the claims including Claims 1-215 that have been cancelled. In addition, this response includes the identical REMARKS section.

Amendments to the Claims are reflected in the listing of claims that begins on page 2 of this paper.

Remarks/Arguments begin on page 6 of this paper.
